

# Agvet chemical voluntary recall

## Semintra 10 mg/mL Oral Solution for Cats

APVMA registration number: 86454

APVMA approved label number: 115796

Batch numbers: E07522, E30545

Sold nationwide by Boehringer Ingelheim Animal Health Australia between  
1 June 2022 to 1 July 2023

On 10 July 2023, Boehringer-Ingelheim Animal Health Australia Pty Ltd (ABN 53 071 187 285) initiated a voluntary recall under section 106 of the Agricultural and Veterinary Chemicals Code scheduled to the *Agricultural and Veterinary Chemicals Code Act 1994* (Cth) in relation to the chemical product described above.

### Reason for voluntary recall:

The voluntary recall for the product has been initiated due to an out-of-specification result during the shelf-life period. The recall is limited to the batches identified above.

### Hazard:

There is a low hazard associated with this recall. There is no anticipated impact on product safety or efficacy through the shelf-life period.

### What to do:

Veterinary wholesalers will be contacted to return their inventory of the affected batches.

There is no action required to be taken by veterinarians or pet owners. Product on hand at veterinary clinics is suitable for use.

### For further information

If you have any questions concerning this recall, please do not hesitate to contact the Boehringer Ingelheim Animal Health Customer Service Team on 1800 808 691 and select option 3.

Should you have questions with regard to Animal Welfare please contact our Customer Care team on the above number and select option 2., or email Boehringer Ingelheim Animal Health Customer Care on: [customercare.australia@boehringer-ingelheim.com](mailto:customercare.australia@boehringer-ingelheim.com)
