

Agvet chemical voluntary recall

Forthyron 400µg Flavoured Tablets

APVMA registration number: 92445

APVMA approved label number: 135533

Batch numbers: 3H12, 3H13, 3L34

Sold nationwide by Dechra Veterinary Products (Australia) Pty Ltd between 17/10/2023 to 13/03/2024

On 14/03/2024, Dechra Regulatory B.V. (ABN: NL859094327B01) initiated a voluntary recall under section 106 of the Agricultural and Veterinary Chemicals Code scheduled to the *Agricultural and Veterinary Chemicals Code Act 1994* (Cth) in relation to the chemical product described above.

Reason for voluntary recall:

The voluntary recall for the product has been initiated due to a lower-than-expected result during routine stability testing, indicating that Forthyron 400µg Flavoured Tablets from batch numbers 3H12, 3H13, 3L34 will not reach registered shelf life.

Hazard:

There is a low hazard associated with this recall. Product efficacy may be impacted.

What to do:

Veterinary clinics are to quarantine the affected batches and return their remaining inventory to their veterinary wholesaler.

Veterinary wholesalers are to quarantine the affected batches and return their inventory to Dechra along with product returned from veterinary clinics.

For further information

Please direct all calls and any queries concerning this voluntary recall to the Dechra Veterinary Products Customer Service Team on 1300 015 825 or info.au@dechra.com.
