Sold by Corteva Agriscience Australia in SA / Vic / NSW / Qld / Tas between 05/11/2021 to 18/04/2024

On 19/04/2024, Corteva Agriscience Australia (A.C.N. 003 771 659) initiated a voluntary recall under section 106 of the Agricultural and Veterinary Chemicals Code scheduled to the *Agricultural and Veterinary Chemicals Code Act 1994* (Cth) in relation to the chemical product described above.

Reason for voluntary recall:

Product is outside the APVMA approved specifications (including viscosity / wet sieve residues / particle size) and may have microbial contamination. This recall is limited to the above-mentioned batch numbers. All other batches (including batches beginning with C781..XXXXXX) are not impacted by this recall.

Hazard:

The out of specifications and microbial contamination may affect the product efficacy and safety.

What to do:

Please contact Corteva Agriscience to organise return of the product.

For further information

Please direct all calls and any queries concerning this voluntary recall to the Corteva Agriscience customer service on 1800 700 096.
