Agricultural and veterinary chemicals

APVMA Special Gazette, 4 June 2024

Published by the Australian Pesticides and Veterinary Medicines Authority

Australian Government

**Australian Pesticides and
Veterinary Medicines Authority**

The *Agricultural and Veterinary Chemical Code Act 1994* (the Act) commenced on 15 March 1995. The Agricultural and Veterinary Chemicals Code (the Agvet Code) scheduled to the Act requires notices to be published in the *Gazette* containing details of the registration of agricultural and veterinary chemical products and other approvals granted by the Australian Pesticides and Veterinary Medicines Authority. The Agvet Code and related legislation also requires certain other notices to be published in the *Gazette*. A reference to Agvet Codes in this publication is a reference to the Agvet Code in each state and territory jurisdiction.

General information

The APVMA Gazette is published fortnightly and contains details of the registration of agricultural and veterinary chemicals products and other approvals granted by the APVMA, notices as required by the Agricultural and Veterinary Chemicals Code (the Agvet Code) and related legislation and a range of regulatory material issued by the APVMA.

Pursuant to section 8J(1) of the Agvet Code, the APVMA has decided that it is unnecessary to publish details of applications made for the purpose of notifying minor variations to registration details. The APVMA will however report notifications activity in quarterly statistical reports.

Distribution and subscription

The APVMA Gazette is published in electronic format only and is available from the [APVMA website](#).

If you would like to subscribe to receive email notification when a new edition is published, please complete a [subscription form](#).

Contents

Agvet chemical voluntary recall: NV GENTAMAX 100 INJECTION	1
Agvet chemical voluntary recall: Ilium Ketamil Injection batch 240130A	2

Agvet chemical voluntary recall: NV GENTAMAX 100 INJECTION

Product name: NV GENTAMAX 100 INJECTION

APVMA registration number: 55873

APVMA approved label number: 134890

Batch numbers: 23259

Sold by: Veterinary wholesalers nationally between 18 January 2024 to 23 May 2024.

On 23 May 2024, Ceva Animal Health Pty Ltd. (ABN: 002 692 426) initiated a voluntary recall under section 106 of the Agricultural and Veterinary Chemicals Code scheduled to the *Agricultural and Veterinary Chemicals Code Act 1994* (Cth) in relation to the chemical product described above.

Reason for voluntary recall

Small number of adverse effects in horses involving mild signs such as pawing, sweating and agitation, lasting for 5-10 minutes and self-resolving.

Hazard

Potential adverse effects such as pawing, sweating and agitation, lasting for 5–10 minutes and self-resolving.

What to do if in possession of this chemical product

Cease use of this batch immediately.

Wholesalers should immediately quarantine all the stock on hand of the recalled product and contact Ceva Animal Health to arrange return and replacement. End users are advised to contact Ceva Animal Health Pty Ltd and organise return and replacement.

More information

Agvet chemical voluntary recall: Ilium Ketamil Injection batch 240130A

Product name: Ilium Ketamil Injection

APVMA registration number: 51188

APVMA approved label number: 138180

Batch number: 240130A

Sold by: Veterinary wholesalers in all states and territories between 14 March 2024 to 27 May 2024.

On 27 May 2024, Troy Laboratories Pty Ltd (ABN: 000 283 769) initiated a voluntary recall under section 106 of the Agricultural and Veterinary Chemicals Code scheduled to the *Agricultural and Veterinary Chemicals Code Act 1994* (Cth) in relation to the chemical product described above.

Reason for voluntary recall

Crystallisation has been observed in some vials of batch 240130A.

Hazard

The defect may result in a lack of efficacy and present risks to animal health.

What to do if in possession of this chemical product

Do not use Ilium Ketamil Injection from batch 240130A.

Wholesalers should immediately quarantine all the stock on hand of the recalled product. Contact Troy Laboratory Pty Ltd (details included below) for advice on management of affected units and arrangements for replacement.
