

SAFETY INSTRUCTIONS

Poisonous if absorbed by skin contact, inhaled or swallowed. Attacks eyes. The fumes first cause smarting, then watering of the eyes. This should be taken as a warning sign. Will irritate the nose, throat and skin. Repeated exposure may cause allergic disorders. Sensitive workers should use protective clothing. Avoid contact with eyes, skin and clothing. Do not inhale vapour or spray mist. When opening the container and using the product wear cotton overalls buttoned to the neck and wrist, washable hat, elbow length PVC gloves, goggles and half face piece respirator with canister specified for Formaldehyde. If product on skin, immediately wash with soap and water. If the product is in eyes, wash it out immediately with water. Wash hands after use. After each day's use, wash gloves, goggles, contaminated clothing and respirator and if rubber wash with detergent and warm water.

FIRST AID:

If poisoning occurs, contact a Doctor or Poisons Information Centre. Phone Australia 131126. If swallowed, do NOT induce vomiting. Give a glass of water. If skin contact occurs, remove contaminated clothing and wash skin thoroughly. Remove from contaminated area. Apply artificial respiration if not breathing. If in eyes, hold eyes open, flood with water for at least 15 minutes and see a Doctor.
