Notice of cancellation of labels for chlorpyrifos home garden and domestic pest control products

PREAMBLE

1. On 24 June 2019, the APVMA notified holders and nominated agents of a proposed regulatory decision based on subsections 34AA and 34AB of the Code. The proposed decision was to cancel the registrations of chlorpyrifos home garden and domestic pest control products (Annexure A of the *Special Gazette* of 24 June 2019). The APVMA invited submissions on the proposed regulatory decision on product registrations up and until 22 September 2019.
2. On 25 September 2019, following the cancellation of product registrations, a proposed decision to cancel the label approvals for products whose registrations had been cancelled was issued. The APVMA invited submissions on the proposed regulatory decisions up and until 2 October 2019. No submissions were made in response to the APVMA's invitation.

DECISION

3. This is a notice issued pursuant to section 45A(1)(a) of the *Agricultural and Veterinary Chemicals Code* scheduled to the *Agricultural and Veterinary Chemicals Code Act 1994* (Cth) (Code). This notice is to inform you that the APVMA has cancelled the labels for containers for chlorpyrifos home garden and domestic pest control products under section 44(2) of the Code effective as of 22 October 2019, as shown in Annexure A.

BRIEF REASON FOR DECISION

4. The APVMA has decided, pursuant to section 44(2) of the Code, following its decision to cancel the registrations of chlorpyrifos home garden and domestic pest control products on 25 September 2019, to cancel the label approvals for containers for products whose registrations have been cancelled.
5. The label cancellations are based on section 44(2) of the Code, namely if the APVMA suspends or cancels the registration of a chemical product, it may also suspend or cancel, as the case may be, any approval relating to a label for containers for the product that the APVMA has cancelled.

INSTRUCTIONS FOR SUPPLY, POSSESSION, CUSTODY, AND USE OF CHLORPYRIFOS HOME GARDEN AND DOMESTIC PEST CONTROL PRODUCTS

6. There are no instructions for the supply, possession, custody or use of the chlorpyrifos home garden and domestic pest control products whose labels have been cancelled. The supply, possession, custody or use of those products is already prohibited as notified in the *Special Gazette* of 25 September 2019.
7. For the avoidance of any doubt, this *Gazette* hereby declares that section 45B(2) of the Code ceases to apply in respect of the cancelled label approvals and thereby brings any deemed permit under section 45B(1) of the Code to an end.

CONSEQUENCES FOR FAILING TO COMPLY

8. The consequences of failing to comply with the instructions in this notice or the instructions detailed in the *Gazette* are:
 - (i) commission of an offence under section 45C(5) of the Code; and

(ii) subject to civil penalty proceedings under section 45C(7) of the Code.
