I understand that under the Agvet Regulations my employees and/or agents are required to:

1. record all acquisitions and disposals of HGPs and to submit these records to the APVMA within 14 days of the end of each calendar month
2. keep copies of the records of acquisition and disposal for two years
3. supply all purchasers with information sheets if required
4. allow inspections of stocks and records of HGP products by APVMA inspectors when required
5. retain original copies of purchaser declaration forms for two years
6. not supply any HGPs directly to a recipient that is either:
 - a) a retailer or wholesaler (not an end-user), unless they provide their current HGP notification number, or
 - b) an end-user or their representative, unless the person seeking to purchase the HGPs first completes and submits a signed purchaser declaration form.

I acknowledge that the name and address of the business and the expiry date of the notification number will be included on a list of registered sellers of HGPs (made available on the [APVMA website](#)) enabling confirmation of the businesses authority to obtain and supply HGPs.

I acknowledge that details of supply of HGPs to end-users will be provided to state and territory authorities to enable them to arrange on-farm audits of cattle producers.
