Published by the Australian Pesticides and Veterinary Medicines Authority

Australian Government

Australian Pesticides and Veterinary Medicines Authority

The *Agricultural and Veterinary Chemical Code Act 1994* (the Act) commenced on 15 March 1995. The Agricultural and Veterinary Chemicals Code (the Agvet Code) scheduled to the Act requires notices to be published in the *Gazette* containing details of the registration of agricultural and veterinary chemical products and other approvals granted by the Australian Pesticides and Veterinary Medicines Authority. The Agvet Code and related legislation also requires certain other notices to be published in the *Gazette*. A reference to Agvet Codes in this publication is a reference to the Agvet Code in each state and territory jurisdiction.

Website: apvma.gov.au

GENERAL INFORMATION

The *APVMA (Australian Pesticides and Veterinary Medicines Authority) Gazette* is published fortnightly and contains details of the registration of agricultural and veterinary chemicals products and other approvals granted by the APVMA, notices as required by the Agricultural and Veterinary Chemicals Code (the Agvet Code) and related legislation and a range of regulatory material issued by the APVMA.

Pursuant to section 8J(1) of the Agvet Code, the APVMA has decided that it is unnecessary to publish details of applications made for the purpose of notifying minor variations to registration details. The APVMA will however report notifications activity in quarterly statistical reports.

DISTRIBUTION AND SUBSCRIPTION

The *APVMA Gazette* is published in electronic format only and is available from the [APVMA website](http://apvma.gov.au).

If you would like to subscribe to receive email notification when a new edition is published, please complete the [subscription form](#).

APVMA CONTACTS

For enquiries regarding the publishing and distribution of the *APVMA Gazette*: Telephone: +61 2 6770 2300.

For enquiries on the *APVMA Gazette* content, please refer to the individual APVMA contacts listed under each notice.

CONTENTS

Notice of end of registration 4

Attachment A: Product registrations and associated label approvals for which registration ended on 30 June 2020 5

Notice of end of registration

In accordance with section 47C of the Agricultural and Veterinary Chemical Code scheduled to the *Agricultural and Veterinary Chemical Code Act 1994* (the Agvet Code), the product registrations and associated label approvals in Attachment A have ended without being renewed by the holder.

DATE REGISTRATION HAS ENDED

The product registrations in Attachment A ended on 30 June 2020. The products are no longer registered under the Agvet Code.

INSTRUCTIONS FOR PERSONS WHO POSSESS, HAVE CUSTODY OR USE OF THE CANCELLED PRODUCT

A person who possesses, has custody of or uses the product referred to in Attachment A in accordance with the instructions contained in this notice, is taken to have been issued with a permit under section 47D of the Agvet Code to possess, have custody of or use the product in accordance with those instructions.

The permit issued under s47D of the Code will cease to apply on 30 June 2021.

POSSESSION OR CUSTODY

A person may possess the products referred to in Attachment A in accordance with its label instructions until 30 June 2021.

USE, SUPPLY OR OTHERWISE DEAL WITH

A person may use the products referred to in Attachment A according to its label instructions, including any conditions relating to shelf life or expiry date, until 30 June 2021.

A person may supply, or cause to be supplied, at wholesale or retail level the products referred to in Attachment A until 30 June 2021.

A person may not manufacture or import the products referred to in Attachment A from the date the registration has ended.

WARNING—CONTRAVENTIONS

After date the permit has ended it will be an offence against the Agvet Code to have possession or custody of the products with the intention to supply, or to supply the product.

It is an offence to possess, have custody of, use, or otherwise deal with the products listed in Attachment A in a manner that contravenes the above instructions.
